### **EXAMINER'S REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:
  
2. The primary reason for allowance is the submission of Terminal Disclaimers overcoming the *Double Patenting* rejections over US Patents 6040029 and 6136401.
  
3. The remaining *Double Patenting* rejections in the are no longer maintained in view of applicants arguments that the instant application has an earlier filing date and a two way obviousness has not been fairly established and the examiners view that two way can not be fairly established.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
